

REMARKS

The Examiner has rejected Claims 1-60 based upon a failure of the receipt of the original patent in the application. The Examiner has indicated that Claims 1-60 would be allowable provided that the original patent is placed in the application. In accordance with 37 C.F.R. § 1.178, the Applicant submits herewith the original patent.

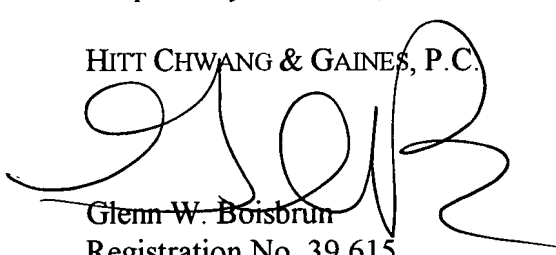

Conclusion

In view of the foregoing remarks, the Applicant now sees all of the claims currently pending in this application to be in condition for allowance and therefore earnestly solicit a Notice of Allowance for Claims 1-60.

The Applicant requests the Examiner to telephone the undersigned attorney of record at 972-480-8800 if such would further or expedite the prosecution of the present application.

Respectfully submitted,
